

Doing

*Doing is a verb
I believe it is also a herb.*

*If a man wants to become,
He must set doing in motion.
If a man wants a great welcome;
He must respect doing in our nation.*

*Doing and don't are strange bedfellows
Where one leads the other follows.*

*Where there is no do
There will not be a progressive fro and to.*

Didn't refused doing

*Because doing is an optimist
While, he is an ardent pessimist.*

*Did is a sped arrow,
Didn't is enough sorrow.
Do is a horse because a cart,
Doing is the horse pulling the cart.*
