### Improve It

*When a scent is sprayed in a room  
That room will not be the same but will boom  
From the smell of the scent  
Until you will find it lent-  
Out to neighboring rooms.*

*Influence is like a scent,  
We are expected to send  
Our influence abroad to many  
Places we find ourselves even when without penny.*

*Don't leave a place the way you met it;  
Try your best to improve it a bit.*

*The reason why you are in that  
Church, house, office or place is to make it fat.  
The reason why you are in this  
World is to improve it from hiss to bliss  
The reason why you are born  
In that family is to make destiny turn  
For the better, for everybody  
To end up becoming somebody-  
Important in this life of ours;  
When you really make it yours.*

*If it falls your lot to serve  
Anybody anywhere, don't swerve.  
Do it as the ultimate opportunity  
To make the world a better community.*
